

My family and I listen to K-LOVE through FM translator services in Santa Cruz. We listen to K-LOVE at home and in our car while traveling throughout the state. There is no comparable radio programming in our local area. My family supports K-LOVE financially because we really enjoy its popular Christian music programming. We would be saddened if K-LOVE was to be forced off the air and replaced by an LPFM station with different programming. Clearly, K-LOVE's broadcasting is in the public interest. That is manifest, in my mind, by the fact that K-LOVE and its FM translator network nationwide is financially self supporting. Please feel free to contact me with any questions. Brandt Stickel
